Dear Admiral Hillenkoetter:

Your letter of April 16 has gone unanswered because Colonel Behn has been absent in Europe, and I did not know just when he would return.

The Colonel arrived on Monday and probably will be in New York until the first week in June, and therefore, if you plan to be in New York during that time, I would very much appreciate your letting me know; and if he plans to be in Washington, I will get in touch with you, although his plans are somewhat uncertain at the moment.

Very sincerely yours,

Dear Mr. Jacobs:

I am sorry that we missed connections in New York last week, but I remained there for only a few minutes.

Please give my very best wishes to Colonel Behn and express the hope to him that, if he comes to Washington, he will advise me or, if I get to New York, I shall certainly drop in and see him.

Very sincerely yours,

R.H.
